Hi Dan,

Attached please find a memo to the file regarding EPA adjusted cost estimates for financial assurance for Florence Copper's UIC permit. This memo replaces the version that I sent you via email on March 5, 2018. Please note, as the currently attached memo states, that the information provided in this memo was drawn from a document in EPA's Administrative Record (AR #593) for the 2017 Final UIC permit issued to Florence Copper. The prior memo I sent was inadvertently dated with the date of AR document #593. I apologize for any confusion, and ask that you contact me or David Albright if you have any questions or need additional information.

Thanks, Nancy
